June 2009 is Optimist International Childhood Cancer Awareness Month. During June, Optimist clubs are sponsoring projects, such as the Greater Jacksonville Optimist Club's Golf Balls Against Childhood Cancer, to raise funds to benefit the Optimist Childhood Cancer Campaign. The main focus of the campaign is to support a five year Endowed Research Fellowship at Johns Hopkins in Baltimore to develop a targeted therapy to fight AML, the second most common form of child leukemia and a type of leukemia with a high mortality rate. The Optimist clubs in Maryland are also working with the Sidney Kimmel Center at Johns Hopkins supporting the non medical needs of families and children who are at Johns Hopkins for treatment.

If you would like to participate, please complete the form below and mail it with your check, payable to the Greater Jacksonville Optimist Club or GJOC, for the number of balls you would like to sponsor at \$10 each to:
